As a student of Washington Baptist University I, _____, agree to attend class, maintain the necessary grades for F-1 status, regularly attend chapel and uphold all of the school policies. If I fail to uphold these policies then I will be responsible for any consequences.

Rules and Regulations for E.S.L., Undergraduate and Graduate Students

1. **Attendance:** Students must not be absent more than four times during the semester. (In the event that this occurs, a warning letter will be issued and the student's grad will automatically drop to a D+ or below.)
2. **Chapel Attendance:** There are three chapel services per week. Students must attend a minimum of one chapel per week. Failure to attend chapel will postpone graduation until the student attends the number of missed chapel services. (E.S.L. students are excluded from mandatory chapel attendance.)
3. **Grades:** Students who receive a "F" grade or a cumulative grade point average (GPA) under a 2.0 ("C" grade) for undergraduates and under a 2.5 ("B-" grade) for graduates will receive a warning letter.
4. **Violation of Law:** Any student caught violating U.S. laws will be considered for termination by the school.
5. **Disciplinary Action:** When students have received two warning letters from the school, they will be considered for withdrawal (Resident/Citizen students) or termination of F-1 status (F-1 students) and the school will notify USCIS.
